**RICH COUNTY BOARD OF EQUALIZATION
INFORMATION AND INSTRUCTIONS
ON FILING A REQUEST FOR REVIEW OF MARKET VALUE**

GENERAL INFORMATION

Basis for Adjustment- The Rich County Board of Equalization only considers matters related to the valuation of property for tax purposes. The amount of tax and other issues not related to value cannot be considered by the board. Only current year values can be appealed. If you have an appeal pending with the State Tax commission for a previous year, you must still file an appeal with the board for the current year.

Burden of Proof- You must present facts to the board to support your claim that the assessor's value on your property is incorrect. These facts may include a recent appraisal, sales that are comparable to your property, closing statements, pictures or any other information to support your claim.

Authority of the Board- The board may raise, lower or maintain the value of your property based on the facts presented by you and by the assessor.

Payment of Taxes- You must pay your property taxes by November 30th to avoid penalties and interest even if the board has not made a final decision.

FILING INSTRUCTIONS

Board Applications and Hearings- Your application and all supporting facts must be filed with the Rich County Board of Equalization no later than **5:00 p.m. September 15th**. The Board will meet at the Rich County Courthouse. Please call the Rich County Assessor's Office to set up an appointment: (435) 793-5215.

A "Request for Review" form must be completed for each separate property for which you wish an adjustment of market value. Attach all relevant documents to the Request for Review.

Submit Notice- Please provide a copy of your current "Notice of Valuation and Tax Change" with the "Request for Review" form.

Tax Representative- An authorization form must accompany the application if a representative will appeal the value of your property on your behalf. For an authorization form contact the Rich County Assessor's office. Failure to obtain representation is not grounds for complaint at a later stage in the process. A minor must be represented by an adult.

Falsifying Evidence- An appellant or representative found to be misrepresenting, concealing, or falsifying information before the board is subject to criminal prosecution as set forth by law.
