

RICH COUNTY UTAH

COVID-19 Information

Rich County Government Offices are open daily for normal operations from 9:00 AM to 5:00 PM.

We would like to point out that there are several services that the county provides online and we urge you to use those online services whenever possible. If you need to visit the county offices please check our web site or give us a call to see if we can help you so you do not have to make the trip.

If you do need to visit the county offices, please remember to practice safe social distancing and be aware of those around you. Due to the small size of our offices, we ask that only one person be in the office at a time. We have several chairs in the hallways where you can wait for your opportunity to attend to your business. We also have public restrooms where you can wash your hands before and/or after your visit.

The Senior Center is closed but the meals are being delivered during the week.

Sanitation pickup will continue as normal.
